

**Yahoo! News Photo - Bastille Day on
Yahoo! News Photos**
By Phil Smith

Phil Smith (phil@thesmiths.com) has sent you a news photo.

Personal message:

Dad:

I stumbled on this great shot of the Eiffel Tower online today; thought you'd like it.

I remember our trip to Paris - great fun. We hope to take the kids there someday, but with the diapers we'd have to ship over there, I think we'll stick with the local park.

See you soon, and best to Mom.

Phil
